ITEMS FOR DISCUSSION, CONSIDERATION, AND POSSIBLE DIRECTION TO STAFF:

MAIN STREET REALIGNMENT

Dan Lueder, General Services General Manager, presented a staff proposal to the City Council to realign Main Street starting at Balboa Street through Old Town in order to enhance the old town district and add a town square around City Hall.

The Council directed staff to pursue the idea and meet with the Old Town merchants and neighborhoods to receive feedback and comments.

PURCHASE OF IPADS FOR CITY COUNCIL

Matt McLean, Deputy Clerk, demonstrated an iPad and explained its portability and ease of use versus a laptop. Funds had been budget in this fiscal year's budget for the purchase of laptop computers for the Council to use for city related purposes and viewing the electronic Council information packets prepared for each Council meeting.

The general consensus of the Council was to purchase iPads instead of laptops for the Council's use.
